

SANDPEARL SPA

“HE WHO MUST SEARCH FOR PEARLS MUST DIVE BELOW”

JOHN DRYDEN - ‘ALL FOR LOVE’ 1678

OVERVIEW

Life-enriching experiences designed to bring body, mind and spirit into balance are the fabric of Sandpearl Spa life and whether exploring an unspoiled natural environment, practicing the mindfulness of Yoga or being caressed by gentle Gulf breezes while enjoying a massage, the Spa at Sandpearl partners with nature in delivering an experience of relaxed, renewed and restorative wellness.

Concealing seven treatment rooms, therapeutic whirlpool with cool shower, private relaxation rooms, steam rooms and deluxe couples treatment room with, Swiss shower, as well as natural nail care, the Sandpearl Spa provides guests with the ‘escape’ they’re looking for.

Restorative spa treatments are inspired by the tranquil Gulf waters and healing elements of the sea and are divided into Water Therapies and Touch Therapies.

One of only two resorts in Florida to offer the Zen Shiatsuinspired Watsu treatment.

HISTORY

Dating back to 520 BC, the pearl is the oldest known gemstone and a universal symbol of wisdom and spiritual rebirth, known for its healing properties. Organic pearl paste and pearl extracts are found in Sandpearl Signature therapies promoting glowing ‘pearl’ like skin.

SETTING

A sanctuary bathed in iridescent oyster hues, the Sandpearl Spa, is a haven of serenity and natural beauty for those seeking to relax, restore and rejuvenate the body, mind and spirit. Offering more than 50 spa treatments including soothing facials, massages, wraps, scrubs and water therapies based on traditional and contemporary healing techniques.

SPA JOURNEY

The journey begins when guests arrive and ease into ultra smooth microfiber lined robes and soft slippers. From there, relaxation seekers are guided to a waiting area where fresh fruit and herbal tea await. After taking part in the luxurious treatments, pampered guests are encouraged to linger, as long as they like.
